**Tasting Notes:** "I loved the 2019 Domaine De Chevalier Blanc, which has the crisp, racy, yet concentrated style of the estate that few others can achieve. Gorgeous white peach, mandarin orange, honeyed minerality, and a kiss of toast all define the bouquet, and it hits the palate with medium to full-bodied richness, integrated acidity, plenty of concentration, and a great finish that picks up some obvious minerality. **Vintage:** 2018

**Appellation:** CHABLIS

**Grape Varieties:** 100% Chardonnay

**Tasting Notes:** The Chablis « Vigne de la Reine » is a wine, which is round and supple.

Due to the microclimate its essential flavours are principally the white flower and the rose. It is a very feminine wine.

This wine pairs very well with goat cheese and Fish in sauce or poached as the delicacy of the fish and its sauce combine wonderfully with the roundness of the wine. The weather conditions of September 2018 have produced a very typical wine, which is elegant, well balanced, rich and long in mouth.

## Veneto Rosso Harlequin - ZYME 2008

---

93 Points, Wine Advocate

**Vintage:** 2008

**Appellation:** Veneto

**Grape Varieties:** Minimum 15 varieties: 4 whites and 11 reds. Garganega, Trebbiano toscano, Sauvignon Blanc, Chardonnay, Corvina, Corvinone, rondinella, Cabernet Sauvignon, Cabernet Franc, Merlot, Syraz, Teroldego, Croatina, Ocseleta, Sangiovese and Marzemino.

**Tasting Notes:** “The 2008 Harlequin is a difficult wine to pin down. The blend consists of 16 grapes, both white and red: Garganega, Trebbiano Toscano, Sauvignon Blanc, Chardonnay, Corvina, Corvinone, Rondinella, Cabernet Sauvignon, Cabernet Franc, Merlot, Syrah, Teroldego, Croatina, Oseleta, Sangiovese and Marzemino. The only thing missing is the kitchen sink. It ages in new barrique for 48 months and is packaged in a very heavy glass bottle. This is not a wine that will appeal to everyone. Its darkness and thick extraction are way over the top. But if you have a palate for the big (similar to Dal Forno), you will enjoy the super smooth texture and decadent fruit layers. There is a noticeable touch of sweetness on the close.”

## Sparkling Moscato

---

**Descriptions:** A sweet Spumante obtained from an aromatic grape, using the Charmat method.

**The Vinification:** The Vinification process consists in fermenting the must only after separating it from the solid parts. By using this method you obtain wines with a more delicate taste and softer colour compared to wines produced using maceration, this method is also used to prepare cuvee for spumanti. Vinification of white wine is a more delicate procedure compared to the maceration because the wines are more sensible.

**The Wine:** Straw coloured with green tinges and an intense and aromatic bouquet. It has a fine and velvety perlage with a sweet and persistent bouquet. It can be served at the end of meal with tarts and biscuits.
